CUSTOMER TERMS & CONDITIONS AND BOOKING RULES

Effective Date: [●] | Last Updated: [●] | Version: [●]

These Terms are issued by **[Primo Homes Private Limited]**, a company incorporated in India (CIN: [●]; GSTIN: [●]), having its registered office at [Registered Address], which provides home cleaning and home-care services under the brand **PrimoHome** ("**PrimoHome**", "**we**", "**us**" or "**our**").

1. ABOUT THESE TERMS

1.1 These Customer Terms & Conditions and Booking Rules ("**Terms**") apply to every service booked with us through any channel we authorise, including our website, app, WhatsApp and telephone. "**You**" and "**Customer**" mean the person who books the service.

1.2 A binding contract is formed on these Terms when you confirm a booking after they have been made available to you (on our website or app, or by a link sent with your booking details). We record your acceptance only through a clear, positive action, such as tapping "Confirm" or replying "YES", never through pre-ticked boxes or by default, and we keep a record of the version you accepted.

1.3 Nothing in these Terms excludes or limits any right or remedy you have under the Consumer Protection Act, 2019 or any other law that cannot be excluded by agreement.

1.4 In these Terms: "**Booking Confirmation**" means our message (in the app or by SMS, WhatsApp or email) confirming your booking, including its start time ("**Scheduled Time**"), scope, total price and any booking-specific charges; "**Service**" means the service so confirmed; "**Booking Advance**" means the part-payment made to reserve a slot; "**Personnel**" means our employees and others engaged by us to perform Services, including our Cleaning Specialists and the "**Supervisor**" (the team member in charge); and "**Authorised Representative**" means an adult you nominate to act for you at the property.

2. OUR SERVICES

2.1 We offer one-time and recurring home cleaning, add-ons and other home-care services. Our **Service Schedule** on our website and app, which forms part of these Terms, sets out each package's inclusions, exclusions, approximate area limits, estimated duration, team size, additional-work rates and heavy-soiling criteria. Each Service covers only what your package and Booking Confirmation include; other work is done only if you ask for it and agree to its price in advance (Clause 3.5).

2.2 Cleaning does not include repair, restoration, pest control or specialist remediation (such as mould, flood or biohazard clean-up) unless your Booking Confirmation says so. Normal cleaning cannot remove permanent stains, hard-water deposits, corrosion, discolouration, mould or damage to aged surfaces; our team will point these out where noticed.

3. BOOKINGS AND PRICES

3.1 You must be at least 18 years old and competent to contract. If you book for a property you do not occupy, you confirm that its owner or occupier has permitted our Personnel to enter and work there. You remain responsible for the booking and for making these Terms known to anyone who receives the Service or acts for you.

3.2 When booking, you must give accurate details, including the address, property type and approximate size, services required, access arrangements, pets, any items or surfaces needing special care and any known hazard, and must promptly tell us of any change.

3.3 A booking is confirmed only when we issue a Booking Confirmation and receive any required Booking Advance; if we cannot accept a booking, we will promptly refund any amount received in full.

3.4 Before you confirm, we will show you the total price in a single figure, including all compulsory charges and GST where applicable, with a break-up, and we will not add any charge not so disclosed; unless stated otherwise, all prices and charges, including those in these Terms, include GST where applicable. We will issue GST documents, such as tax invoices and receipt vouchers for advances, as required by law.

3.5 Our price is based on the details you give at booking. If the property or work is materially different (for example, a larger area, extra rooms or heavy soiling as defined in the Service Schedule), our Supervisor will explain the difference and the revised price, at Service Schedule rates, before any extra work begins; you may accept it or have us do only the booked scope within the booked time. We will not do or charge for extra work without your prior consent, recorded in the app, by message or in writing; otherwise, your confirmed price will not change.

4. BOOKING ADVANCE AND PAYMENT

4.1 We may require a Booking Advance of ₹300 (or another amount shown before you confirm) to reserve your slot. It is a part-payment, not an extra charge, and is adjusted against your final bill (for example, on a ₹1,500 Service with a ₹300 advance, ₹1,200 is payable, plus any additional work agreed under Clause 3.5). If the booking is cancelled, the Booking Advance is refunded in full, or after deducting only the applicable cancellation charge under Clause 5.

4.2 The balance is payable on completion unless your Booking Confirmation states otherwise, by UPI, card, net banking, bank transfer to our notified account or any other method we list. Payments are processed by RBI-authorised payment service providers; we do not store your full card details.

4.3 Please pay only through our official channels. Our Personnel may not collect payments into personal accounts or ask for loans, gifts or transfers; payment to any other person or account is not payment to us unless we authorised it in writing. Please report any such request.

4.4 If we confirm a booking without a Booking Advance and a charge becomes payable under Clause 5, we will tell you the amount and reason; it will be recorded against your customer account and registered mobile number, and we may require payment before confirming your next booking.

5. CANCELLATION, RESCHEDULING AND NO-SHOW BY YOU

5.1 You may cancel or reschedule a confirmed booking through our app, website, WhatsApp or customer support; the time of cancellation is the time we receive your request. For bookings made through any channel, the charges below apply, unless different charges were shown to you before you confirmed and are stated in your Booking Confirmation:

When you cancel or reschedule (before the Scheduled Time)	Charge (incl. GST, where applicable)
24 hours or more before	Nil (full refund, or free rescheduling)
At least 4 hours, but less than 24 hours, before	₹250
Less than 4 hours before, and before our team is dispatched	₹400
After our team is dispatched or arrives (including a no-access visit under Clause 5.3)	₹500

5.2 These charges only compensate the reasonable cost of a slot cancelled at short notice (Personnel time and travel that cannot be reallocated), never exceed [50%] of the booked Service price, apply only to the extent permitted by law, including the Consumer Protection (E-Commerce) Rules, 2020, and apply equally to us when we cancel (Clause 6.2). If no Booking Advance was paid, Clause 4.4 applies. No charge applies if you cancel because of a Force Majeure Event (Clause 16) or our delay (Clause 6.3), and we may waive a charge in genuine emergencies.

5.3 If our team arrives within the arrival window (Clause 6.1) but cannot start because no one is available to give access, building permission is not arranged, the address is wrong or incomplete, or the Service is otherwise prevented, our team will try to contact you and wait at least 30 minutes; if it still cannot start, the booking is treated as cancelled by you after arrival and the after-arrival charge applies.

6. DELAY OR CANCELLATION BY US

6.1 Our team will aim to arrive at the Scheduled Time; arrival up to 30 minutes after it is within the normal arrival window. If we expect to be later, we will inform you.

6.2 If we cancel or reschedule a confirmed booking for any reason other than a Force Majeure Event or a cause attributable to you under Clause 6.4 or 15 (for example, illness or non-availability of Personnel, or an operational problem), we will tell you as early as possible and offer another slot. If you decline it, we will refund your Booking Advance in full under Clause 14.1 and pay you compensation equal to the charge you would have paid under Clause 5.1 had you cancelled at that time. We will pay this compensation as a service credit to your customer account, usable against any Service and valid for twelve months from issue, unless, within [15] days of our message confirming the credit, you ask us to pay it by refund, in which case we will do so under Clause 14.1.

6.3 If our team has not arrived by the end of the arrival window and you have not agreed to a later time, you may cancel free of charge with a full refund; if our team is more than 60 minutes late,

you will also receive the compensation under Clause 6.2 as if we had cancelled then. This does not apply to delay caused by a Force Majeure Event (Clause 16.2).

6.4 If our Personnel decline to start, or stop, a Service under Clause 8.4 or 9.2, you pay only for the work completed, in proportion to the booked price; but if the Service could not start because of a hazard you knew of and did not disclose, or conduct described in Clause 9.2, the after-arrival charge in Clause 5.1 applies.

7. ACCESS, KEYS AND PREPARING YOUR HOME

7.1 You must ensure safe access to the property at the Scheduled Time, through you, the owner, an adult family member, your Authorised Representative, building security or another arrangement agreed with us in writing. For safeguarding reasons, our Personnel will not start a Service if only persons below 18 years of age are present.

7.2 If we agree in writing to hold a key or access device, we will store it securely under a code (not your address), log each use, use it only for your booked Services, never duplicate or share it, and return it on request or when your plan ends. If it is lost through our fault, we will pay the reasonable cost of replacing it and, if needed, the lock. Tell us at once if you think it is compromised.

7.3 Before the Service, please (a) secure cash, jewellery, documents, medicines and other valuable or irreplaceable items; (b) point out fragile items, unstable furniture or fixtures and surfaces needing special care; (c) tell us of any known hazard; (d) secure pets so they cannot escape through open doors; and (e) provide access to the areas to be cleaned, with running water and electricity, free of cost. Please do not ask our Personnel to handle cash, jewellery or unusually valuable items; they may decline to handle anything that appears valuable, fragile, unsafe or too heavy.

7.4 You are responsible for supervising children and other vulnerable persons, as products, equipment, cables and wet floors can create temporary hazards; our Personnel will take reasonable care, including warning of wet floors. If anyone is sensitive to particular products or fragrances, tell us which to avoid; you need not share medical details.

8. PRODUCTS, SURFACES AND SAFETY

8.1 We bring our own materials and equipment unless your Booking Confirmation states otherwise, and our Personnel use cleaning products only as their labels direct; please tell us in advance if any product must not be used. If we use your products or equipment at your request, we are not responsible for damage caused by their defect or unsuitability, unless our Personnel were negligent or ignored your instructions or the label.

8.2 Please tell us about marble, natural stone, hardwood, antiques, artwork, hand-painted or specially coated surfaces, delicate fabrics and high-value furnishings. We may decline to clean an item if the right method is unclear or the risk of damage is too high.

8.3 Our Personnel will not move excessively heavy furniture or appliances, and will clean under or behind them only where accessible and safe. They will not work above step-ladder height, clean

upper-floor exterior windows or facades, or climb on furniture, ledges or parapets, unless your booking includes such work with safety equipment.

8.4 We may decline to start, or stop, work involving hazardous chemicals, blood or significant biological contamination, sharps or needles, serious pest infestation, mould needing specialist remediation, unsafe electrical installations, structural hazards, illegal substances, aggressive animals or any other unreasonable risk to health or safety. Clause 6.4 then applies.

8.5 Waste from the Service will be segregated as required by the Solid Waste Management Rules, 2026 and local bye-laws (wet, dry, sanitary and special-care waste) and left where you indicate for your authorised collection arrangement, such as the Haritha Karma Sena, unless removal is booked. We do not remove biomedical, hazardous or special-care waste, chemicals or sharps unless your booking includes this and we are authorised to do so.

9. CONDUCT AND SAFETY

9.1 We will treat you, your family and your home with dignity and respect, and expect the same towards our Personnel, who must behave professionally, respect your privacy and not smoke or consume alcohol or intoxicants at your premises.

9.2 We have zero tolerance for sexual harassment, threats, violence, abusive or discriminatory behaviour, intimidation, inappropriate physical contact and deliberately unsafe working conditions, by anyone; please report any misconduct by our Personnel immediately. Our Personnel may stop work and leave immediately if they reasonably believe their safety or dignity is at risk, and Clause 6.4 then applies.

9.3 While our Personnel work at your home, it is their workplace under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. Sexual harassment complaints by or against our Personnel will be handled under that Act by our Internal Committee or the Local Committee, as applicable, confidentially as the law requires and without retaliation; you agree to cooperate with any lawful inquiry. Remedies under the Bharatiya Nyaya Sanhita, 2023 or other law are unaffected, and we may report serious incidents to the police.

10. COMPLETION CHECK, REPORTING AND SERVICE QUALITY

10.1 Before our team leaves, you (or your Authorised Representative) and our Supervisor will jointly check the serviced areas for completed work, the condition of the areas and their contents, any visible damage, any item noticed as missing and any quality concern. Please also check, as far as practicable, that your valuables are accounted for; our team will ordinarily leave only after this handover.

10.2 The Supervisor will record every concern raised, with photographs where appropriate, and give you a reference. If none is raised, the Service will be recorded as “completed, jointly inspected and handed over without any visible issue, damage, breakage or loss reported at that time”, which you may confirm by OTP, in-app acknowledgement, signature or message. This records only the condition visible at handover and is not a waiver of any right regarding latent damage, loss or deficiency, or of your statutory rights.

10.3 If no one is present at completion (for example, with key access) or you choose not to take part, we will send you completion photographs and a message, and you may check on your return.

10.4 Please report any damage, loss or deficiency to customer support as soon as reasonably practicable, preferably within 48 hours of the Service (or of your return), with any available photographs, videos, CCTV footage and details of the item and of persons present. Later reporting may make investigation harder, but does not by itself extinguish or restrict any statutory or contractual right.

10.5 If included work was not done, or not done to the standard in the Service Schedule, and you report it under this Clause, we will at your choice re-perform it free of charge within a reasonable time or give a proportionate refund (or a service credit, if you prefer); if re-performance is not practicable or does not fix the problem, we will give a proportionate refund. Corrective work is limited to the booked scope.

11. DAMAGE, LOSS AND OUR LIABILITY

11.1 We are responsible for loss of or damage to your property, and for personal injury, caused by the negligence, wilful misconduct or dishonesty of our Personnel during the Service, or by our breach of these Terms.

11.2 We will investigate every reported damage or loss promptly and give you our decision, ordinarily within 15 working days of your report, considering all relevant evidence, including the completion record, photographs, lawfully available CCTV footage, statements of those present, pre-existing damage, the item's age and condition, and whether special-care needs were disclosed. Please allow us reasonable access to inspect the item.

11.3 Where we are responsible, we will, after consulting you, repair the item at our cost or, if repair is not reasonably possible, replace it or pay its fair value, being the reasonable cost of an item of similar type, age and condition.

11.4 We are not responsible for (a) pre-existing damage, wear and tear, or damage due to an item's age, inherent weakness or faulty installation; (b) damage from following your specific instructions after we warned you of the risk, or from your products or equipment (Clause 8.1); (c) damage to an item whose special-care needs you did not disclose, where our Personnel otherwise took reasonable care; (d) private arrangements outside our systems (Clause 12.2); or (e) indirect or consequential loss not reasonably foreseeable at booking, so far as the law permits. This Clause does not limit liability for death or personal injury caused by negligence, or for fraud, theft, dishonesty, wilful misconduct or gross negligence.

11.5 Our Personnel may not keep any property found during a Service; it will be handed to you or recorded and returned promptly. Please report suspected loss or theft promptly to us, and to the police where appropriate; we will co-operate fully with any lawful investigation.

12. OUR PERSONNEL

12.1 We allocate Personnel by location, service needs and availability and will consider reasonable preferences, but cannot guarantee the same Cleaning Specialist or Supervisor each visit. We

carry out identity, address and reference checks, and police verification where available, in accordance with law; these support safety but cannot guarantee future conduct and do not reduce our responsibility under Clause 11.

12.2 While you use our Services, please do not deliberately bypass our booking and payment systems by privately engaging, for similar services, Personnel you met through us; this does not restrict anyone's freedom to work or be employed. Such an arrangement is not a PrimoHome Service, we are not responsible for anything arising from it, and we may decline future bookings where this occurs.

12.3 Tips are voluntary and, if given, belong to the Personnel. Our Personnel must not ask for tips, gifts, loans or financial help; please report any such request.

13. RECURRING PLANS

13.1 Recurring plans are governed by these Terms and the plan details shown before you enrol: frequency, price, billing date, any minimum term and, for auto-debit, the mandate amount (or maximum), frequency and duration, and how to pause or cancel it. Individual visits are subject to Clause 5. If visits are frequently skipped or postponed, we may, after informing you, charge future visits at our standard one-time rate.

13.2 You may pause or end a plan at any time through the channel you enrolled on or through customer support, effective from the next visit more than 24 hours after your request. No exit fee applies unless a minimum term was disclosed before enrolment, and any early-exit amount will not exceed the discount you actually received.

13.3 If a prepaid plan ends, we will refund unused visits at the plan's per-visit rate, less any amount due to us, under Clause 14. For auto-debits, a pre-debit notification will be sent before each debit as RBI rules require; ending your plan with us stops future debits, and you may also cancel the mandate through your bank or UPI app.

13.4 We will give you at least 15 days' notice of any change in the price or terms of your plan. If you do not agree, you may end the plan before the change takes effect, free of charge.

14. REFUNDS, CREDITS AND OFFERS

14.1 We will initiate any refund due within 7 working days (excluding Sundays and Kerala public holidays) after it becomes due or, for a claim needing assessment, after our decision (ordinarily within 15 working days of your report), to your original payment method unless you choose another, with any GST refund voucher or credit note the law requires; the time to reach you then depends on your bank. You may also raise a payment dispute with your bank or card issuer.

14.2 Except as provided in Clause 6.2, we will give a service credit instead of a refund only if you choose it. Goodwill or promotional credits may carry an expiry date, stated when issued.

14.3 Offers, coupons and referral credits may have their own terms, shown with the offer; unless stated otherwise, they cannot be exchanged for cash or combined and may be changed or

withdrawn for the future, but an offer applied to a confirmed booking will be honoured. We may withdraw a benefit obtained by fraud or misuse, after informing you.

15. REFUSAL OR SUSPENSION OF SERVICE

15.1 We may decline a booking, or suspend or end Services, only for reasonable cause, such as unpaid charges, repeated late cancellations or no-access visits, fraud, unsafe working conditions, harassment of our Personnel, illegal activity or a material breach of these Terms. We will record and tell you the reason, act without discrimination, treat allegations as unproven until assessed and, unless immediate action is needed for safety, hear you before refusing future Services. We will refund payments for Services not performed, less any amount lawfully due to us.

16. FORCE MAJEURE

16.1 Neither party is responsible for failure or delay caused by a "**Force Majeure Event**": an event outside its reasonable control that could not reasonably have been prevented or mitigated and that prevents or seriously hinders performance, such as floods, heavy rain or other natural disasters, red alerts or severe weather warnings of the India Meteorological Department, government restrictions, epidemics, hartals, bandhs, general strikes, civil disturbances or major external transport or infrastructure failures, but not staff shortages, illness of or disputes with our Personnel, scheduling errors, equipment failure or other internal operational problems.

16.2 If a Service is cancelled or cannot be performed because of a Force Majeure Event, neither party pays any cancellation charge or compensation; your Booking Advance will be refunded in full or, if you prefer, moved to a new slot. Work already done remains payable.

17. PHOTOGRAPHS, CCTV AND PERSONAL DATA

17.1 Our Personnel may photograph serviced areas only to record conditions, check the work and investigate complaints. They will not photograph people unless necessary, or washrooms or changing areas in use, and will avoid documents, screens and personal items, masking them where practicable. Photographs are kept securely with restricted access for 90 days after the Service or until any related complaint is resolved, whichever is later (longer only under a legal hold), then deleted, and are never used for marketing without your separate written consent.

17.2 You may use CCTV lawfully, but please tell our Personnel if the areas where they work are recorded, and do not record places where they have a reasonable expectation of privacy, such as washrooms or changing areas.

17.3 We use personal data only to provide the Services, take payments, handle complaints, ensure safety and comply with law, and share it only as necessary with our Personnel, payment processors and IT, cloud and messaging providers under written contracts requiring confidentiality, security and deletion, or with authorities where the law requires; we never sell it. Our separate **Privacy Notice** at [website link] sets out the data categories, purposes, retention periods and your rights. If you give us another person's details, you confirm you may do so, and we may give them our Privacy Notice.

17.4 We process personal data under the Information Technology Act, 2000 and its rules and, as their provisions come into force, the Digital Personal Data Protection Act, 2023 and the Digital Personal Data Protection Rules, 2025. Subject to those laws, you may ask our Grievance Officer to access, correct, update or erase your data, withdraw consent for optional uses such as marketing, or nominate someone to exercise your rights on your death or incapacity. We keep records the law requires, such as tax records.

17.5 By booking, you agree to receive service messages (such as confirmations, arrival updates, OTPs, invoices and feedback requests) by call, SMS, WhatsApp, email or app. We send promotional messages only with your consent and in line with telecom regulations; you may opt out at any time without affecting service messages.

18. CUSTOMER SUPPORT AND GRIEVANCES

18.1 **Customer Support:** Phone [●] | WhatsApp [●] | Email [●] | Website [●] | Working hours [●]

18.2 **Grievance Officer:** [Name], [Designation] | Email [●] | Phone [●] | Address [●]

18.3 We will acknowledge every complaint within 48 hours, give you a complaint number and a copy of your recorded complaint, and resolve it within one month. If you are not satisfied, you may contact the National Consumer Helpline (toll-free 1915; consumerhelpline.gov.in) or file a complaint before the appropriate Consumer Disputes Redressal Commission, including online at e-jagriti.gov.in. Our complaint process does not restrict your right to approach any court, Consumer Commission or authority within the applicable statutory period.

19. GOVERNING LAW AND DISPUTES

19.1 These Terms are governed by the laws of India. If you are a consumer, you may file a complaint before the Consumer Disputes Redressal Commission having jurisdiction under the Consumer Protection Act, 2019, including where you reside or personally work for gain. Subject to applicable law, and without limiting any statutory forum available to a consumer, where more than one court otherwise has jurisdiction, the courts at Thiruvananthapuram, Kerala, will have exclusive jurisdiction.

20. GENERAL

20.1 **Changes.** We may update these Terms to reflect changes in our Services, operations or the law, and will publish them on our website and app with their effective date. The Terms in force when you confirm a booking apply to it; Clause 13.4 applies to recurring plans.

20.2 **Order of precedence.** If the Booking Confirmation, the Service Schedule and these Terms conflict, the Booking Confirmation prevails, then the Service Schedule, then these Terms; our Privacy Notice governs personal data. No document can reduce your rights under applicable law.

20.3 **Transfer.** You may transfer a booking only with our consent, which we will not unreasonably refuse. We may transfer this contract to a group company or successor business only if your rights are not reduced, and will tell you in advance.

We will send notices to your registered mobile number, email or app account; you may send notices to our support email or Grievance Officer.

20.5 **Other terms.** If any provision is held invalid or unenforceable, the rest continues in force, and delay in enforcing a right is not a waiver. Where a Malayalam version is provided, both versions are intended to have the same meaning; if there is a material inconsistency, the version you accepted at booking applies.
